What's the difference between "Central" and "Concierge" service?

"Central service" buses meet riders at central locations at specified times. For a list of the 2018-2019 locations, visit "Inside B/Logistics" to view the bus routes and times. The buses arrive and depart on the times stated.

"Concierge service" buses pick up and drop off riders at a specific address. The driver will wait until your child is inside the house in the afternoons. This service is especially popular for parents with young children.

Additional Information

Routes which do not have a minimum ridership may not run.

Car seats and boosters are available for small children.
